  - To create aggregated statistical data and other aggregated and/or inferred Non-personal Information, which we or our business partners may use to provide and improve our respective services;
  - To comply with any applicable laws and regulations.

## **Article 7 - Collected data and its use, storage, sharing and disclosure**

Our company is hosted on the Wix.com platform. Wix.com provides us with the online platform that allows us to sell our products and services to you. Your data may be stored through Wix.com's data storage, databases and the general Wix.com applications. They store your data on secure servers behind a firewall.

### **Payment:**

1. If you choose a direct payment gateway to complete your purchase, then Wix stores your credit card data. It is encrypted through the Payment Card Industry Data Security Standard (PCI-DSS). Your purchase transaction data is stored only as long as is necessary to complete your purchase transaction. After that is complete, your purchase transaction information is deleted.
2. All direct payment gateways adhere to the standards set by PCI-DSS as managed by the PCI Security Standards Council, which is a joint effort of brands like Visa, MasterCard, American Express and Discover.
3. PCI-DSS requirements help ensure the secure handling of credit card information by our store and its service providers.
4. For more insight, you may also want to read Wix's Terms of Service <http://www.wix.com/about/terms-of-use> or Privacy Statement <http://www.wix.com/about/privacy>
5. All direct payment gateways offered by Wix.com and used by our company adhere to the standards set by PCI-DSS as managed by the PCI Security Standards Council, which is a joint effort of brands like Visa, MasterCard, American Express and Discover. PCI-DSS requirements help ensure the secure handling of credit card information by our store and its service providers.

## **Article 7.1 - Third party services**

1. Wix has partnered with a number of selected service providers, whose services and solutions complement, facilitate and enhance our own. These include hosting and server co-location services, communications and content delivery networks (CDNs), data and cyber security services, billing and payment processing services, domain name registrars, fraud detection and prevention services, web analytics, e-mail distribution and monitoring services, session recording and remote access services, performance measurement and data optimization services, content providers, and our legal and financial advisors (collectively, "Third Party Service(s)").
2. Such Third Party Services may receive or otherwise have access to our Visitors' and Users' Personal Information and/or Users-of-Users' Personal Information, in its entirety or in part – depending on each of their particular roles and purposes in facilitating and enhancing our Services, and may only use it for such purposes.
3. Note that while our Services may contain links to other websites or services, we are not responsible for such websites' or services' privacy practices, and encourage you to be aware when you leave our Services and read the privacy statements of each and every website and service you visit. This Privacy Policy does not apply to such linked third-party websites and services.
4. Wix is accountable for personal data that it receives under the Privacy Shield and subsequently transfers to a third party as described in the Privacy Shield Principles. In particular, Wix remains responsible and liable under the Privacy Shield Principles if third-party agents that it engages to process the personal data on its behalf do so in a manner inconsistent with the Principles, unless Wix proves that it is not responsible for the event giving rise to the damage.

## **Article 7.2 – Security**

1. Wix has implemented security measures designed to protect the Personal Information you share with us, including physical, electronic and procedural measures. Among other things, we offer HTTPS secure access to most areas on our Services; the transmission of sensitive payment information (such as a credit card number) through our designated purchase forms is protected by an industry standard SSL/TLS encrypted connection; and we regularly maintain a PCI DSS (Payment Card Industry Data Security Standards) certification. We also regularly monitor our systems for possible vulnerabilities and attacks, and regularly seek new ways and Third Party Services for further enhancing the security of our Services and protection of our Visitors' and Users' privacy.
2. However – regardless of the measures and efforts taken by Wix, we cannot and do not guarantee the absolute protection and security of your Personal Information, your Users-of-Users' Information or any other User Content you upload, publish or otherwise share with Wix or anyone else.
3. We therefore encourage you to set strong passwords for your User Account and User Website, and avoid providing us with any sensitive information which you believe its disclosure could cause you substantial or irreparable harm. Furthermore, because certain areas on our Services are less secure than others (for example, if you set your Support forum ticket to be "Public" instead of "Private", or if you browse to a non-SSL page), and since e-mail and instant messaging are not recognized as secure forms of communications, we request and encourage you not to share any Personal Information on any of these areas or via any of these methods.
